Eric Rudd called the meeting to order.

FINANCE REPORT

Gene Schilling reported that the bank shows a balance of \$71,170.73. There is a bill for approximately \$3000.00 for December grooming, a bill from Western Petroleum for \$2,516.39. Gene asked for approval for all fuel and grooming bills when they come in instead of after each meeting. The request was granted.

Alpine bank will be donated \$500.00 towards credit card fees to the club.

Chad motioned to approve the treasurer's report. Armando seconded the motion and it was approved.

TRAILS AND GROOMING REPORT

Chad reported that he missed the deadline to turn the report in for the website last month. He then introduced Michael Goscha to the board. Michael stated that he would like to help out with grooming the trails.

Eric stated that we have a machine to groom the trails but are still looking for a drag. He is continuing to look into the cost.

Stephen said that he will not be able to continue grooming. He has been out to Owens Creek but not over to Electric Mountain Lodge. At some point we may have to groom the Muddy. He has taken

the poles out and stacked them in various locations. The Sunlight workers have done a good job setting the poles. Todd Welch has done some work on the tractor.

Will motioned to approve the trails and grooming report. Gene seconded the motion and it was approved.

PR REPORT

The fundraiser event will be February 21, 2015 at the Orchard in Carbondale.

Jo will be doing several Community Connections appearances on KMTS.

She has had 38 people RSVP and is continuing to work on donations and event sponsors.

Coors is working on costs for the beer. Coca Cola may donate some of their products but we may have to buy some also. The wine is coming from Pinnacle.
